EDUCATIONAL REVIEW BOARD DISCLOSURES

Disclosure Statement

It is the policy of The France Foundation to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities. All faculty participating in this activity have disclosed any significant financial interest or other relationship with manufacturer(s) of any commercial product(s)/device(s) and/or provider(s) of commercial services included in this educational activity. The intent of this disclosure is not to prevent a faculty member with a relevant financial or other relationship from participating in the activity, but rather to provide participants with information on which they can base their own judgments. The France Foundation has identified and resolved any and all faculty conflicts of interest prior to the release of this activity.

Bruce G. Bender, PhD, has served as a consultant for AstraZeneca Pharmaceuticals, GlaxoSmithKline, and Merck. He has received grant and research support from Sepracor, and has served on speakers bureaus for GlaxoSmithKline and Merck.
